Please Be Advised

- This is a list of vendors who have submitted their information to AEDC, with very few exceptions AEDC has not visited with these vendors and cannot substantiate any information about them. So, please have the entities purchasing agent check them out prior to buying anything from them. Neither AEDC nor ADEM are recommending any of these as preferred vendors. They have simply submitted this info and it has been compiled and being shared for your convenience.**
- Each entity will be responsible for working with any of these vendors on their own and will need to check prices, quantity available and of course potential delivery time.**
- As additional vendors are added to the list we will provide that update as it is received. If you know of a business that is not showing on the list please have them contact Steve Sparks at AEDC who will work with them. ssparks@arkansasedc.com**
