

Springdale Chamber Committees & Task Forces

Ambassador Committee

The purpose of the Ambassador Committee is to serve as the official representative for the Chamber at events which are of importance to the Chamber and our community. This committee assists staff with membership-related initiatives and is accountable to elected officers who are led by a staff member who provides direct reports to the President.

Government Affairs Committee

The purpose of the Government Affairs Committee is to monitor, evaluate and recommend positions on legislative issues that impact the Chamber and its members. The committee also provides input regarding business-friendly candidates and issues. The committee is directly accountable to senior staff who provides direct reports to the President.

Leadership Springdale Council

The purpose of the Leadership Springdale Council is to provide oversight of the creation, development and implementation of programming for the Chamber's leadership development program. This committee is comprised of former Leadership Springdale class members and is directly accountable to senior staff who provides direct reports to the President.

Workforce Council

The purpose of the Workforce Council is to advance programming and initiatives that will lead to and promote improved workforce training and a better skilled workforce for our community. The committee provides input on a number of workforce-related programs conducted by the Chamber. The committee is directly accountable to senior staff who provides direct reports to the President.

Diversity Task Force

The purpose of this group is to improve the participation and engagement in Chamber and community activities by minority members of our business community. The task force is directly accountable to senior staff that provides recommendations to the Executive Committee.

Image & Brand Task Force

The purpose of this group is to evaluate Chamber efforts to promote a positive community image and a consistent brand of the Chamber and our city to internal and external audiences. The task force is directly accountable to senior staff that provides recommendations to the Executive Committee.

Programming Task Force

The purpose of this group is to review current Chamber programs and events and making recommendations for improvements, additions or deletions to the organization's program of work. The task force is directly accountable to senior staff that provides recommendations to the Executive Committee.

Workforce Task Force

The purpose of this group is to review ongoing Chamber initiatives as they relate to workforce training and the improvement of workplace skills in our schools and community. The task force is directly accountable to senior staff that provides recommendations to the Executive Committee.
